English · Intermediate
Spanish · Basic
Russian · Beginner

APPS PROFICIENCY

Figma · Sketch · FigJam
Adobe · Photoshop · Illustrator · InDesign · Acrobat
Adobe After Effects · Jitter
Miro · Mural · Notion · Condens · Tally · Typeform
Replit · Orchids · Lovable · Prompt-to-code

AREAS OF INTEREST

Apple HomeKit · HomeOS · Smart Home
Renovation · Interior Design
Artificial Intelligence
Silicon Valley culture

ABOUT

UX·UI and Interaction Design student, interested in simplifying complex systems. I design interfaces and digital experiences where clarity, structure, and user understanding are essential.

EXPERIENCES

UX·UI Designer Intern · Goupil Electric Vehicles (Polaris Group)

February 2026 – July 2026

Design of user journeys and structuring of interfaces.
Creation of wireframes, mockups, and interactive prototypes.
Definition of components and contribution to the design system.

Interaction Design · SGAR Marseille × ENTPE Engineering Students

September 2025 to January 2026

Design of interactive tools and pedagogical materials to encourage sustainable behaviors in workplace settings.

Volunteer IT Instructor · French Federation Saint Vincent

September 2023 to September 2025

Collective courses. Supports: Computer, iMac, iPhone, iPad, Smartphone.
Tools: macOS, Windows, Microsoft Office, Social Media.

Volunteer Student · Le Pari Solidaire

October 2023 to September 2025

Individual digital workshops for seniors, enhancing confidence and fostering independence.

SELECTED PROJECTS

Intratone · Redesign of a residential access control interface
WaveSwitch · Speculative concept of an AI-powered gesture switch
iOS Update Redesign · Concept for the iOS update experience
Google Play on iOS · UX exploration of an Android ecosystem on iOS
NameQuest · Board game exploring discrimination related to names

EDUCATION

Strate School of Design

Lyon, France · September 2023 to June 2028 (Present)

Master's in Industrial Design, (Specializing in UX·UI & Interaction Design)

+ Member, Team Buddy, supported international students in their integration.

La Martinière Diderot High School

Lyon, France · September 2021 to June 2022

Baccalaureate in Science and Technology for Industry and Sustainable Development

CERTIFICATIONS

Google AI Essentials · Google (Coursera)

Completed Specialization · December 2025

PIX · Digital Skills Assessment

Level 7 · Expert
