SKILLS

UX Design

User research · Interviews · Usability testing
Insight mapping · User journeys
Personas · 2x2 matrices
Behavioral analysis
UX evaluation (Nielsen heuristics)
Accessibility · WCAG
Wireframing · Interactive prototyping
Systems thinking · Complex systems
Interface analysis · Design monitoring

UI Design

Design system · Components · Auto Layout · Grids
Design sprint · High-fidelity mockups · Multi-platform
Iconography · Motion · Interaction design
Visual hierarchy · Typography · Interface states

LANGUAGES

French · Native
Armenian · Bilingual
English · Intermediate
Spanish · Basic
Russian · Beginner

APPS PROFICIENCY

Figma · Sketch · FigJam
Adobe · Photoshop · Illustrator · InDesign · Acrobat
Adobe After Effects · Jitter
Miro · Mural · Notion · Condens · Tally · Typeform
Replit · Orchids · Lovable · Claude · Claude Code
Gemini · Stitch · Codex

SMART HOME ECOSYSTEM PROFICIENCY

Apple HomeKit · Google Home · Amazon Alexa
HomeBridge · Philips Hue · IKEA Home Smart · Aqara
Samsung SmartThings · Sonos · Tuya/SmartLife
Xiaomi Home · Nanoleaf

ABOUT

UX/UI and Interaction Design student, interested in simplifying complex systems. I design interfaces and digital experiences where clarity, structure, and user understanding are essential.

EXPERIENCES

UX/UI Designer Intern · Goupil Electric Vehicles (Polaris Group)

March 2026 – July 2026 (ongoing)

Design of user journeys and structuring of interfaces.
Creation of wireframes, mockups, and interactive prototypes.
Definition of components and creation to the design system.

Interaction Design · SGAR Marseille × ENTPE Engineering Students

September 2025 to January 2026

Design of interactive tools and pedagogical materials to encourage sustainable behaviors in workplace settings.

Volunteer IT Instructor · Les Équipes Saint Vincent

September 2023 to September 2025

Collective courses. Supports: Computer, iMac, iPhone, iPad, Smartphone.
Tools: macOS, Windows, Microsoft Office, Social Media.

Volunteer Student · Le Pari Solidaire

October 2023 to September 2025

Individual digital workshops for seniors, enhancing confidence and fostering independence.

EDUCATION

College for Creative Studies (CCS)

Detroit, MI, USA · Fall 2026 (soon)

Master of Arts in User Experience Design, Exchange Semester

Strate School of Design

Lyon, France · 2023 to 2028 (ongoing)

Master's in Industrial Design, (Specializing in UX/UI & Interaction Design)

+ Member, Team Buddy, supported international students in their integration.

La Martiniere Diderot High School

Lyon, France · 2020 to 2022

Baccalaureate in Science and Technology for Industry and Sustainable Development (Specialization in Innovation, Technology, and Eco-Design)

CERTIFICATIONS

Google AI Essentials · Google (Coursera)

Completed Specialization · December 2025

PIX · Digital Skills Assessment

Level 7 · Expert
